## **Alden House Haunting**

John and Priscilla have left behind over 350 years worth of spirits. Halloween Spirits and Spooks will be descending upon the 17<sup>th</sup> century Alden House on Saturday evening October 26. Those who attended last year should have recovered by now. So the Aldens want you to come back for some new thrills. They will be waiting for you with the sights, sounds and souls of the season. This year Cap'n Jack and his brother Henry will be on hand and their aged mother, Aunt Polly will waiting for you as well. If you haven't been here before, this is an opportunity to have a truly unique experience. There are special treats on hand for those who make it past the ghosts of Aldens past. The Spirits start making their appearance at 5:30 p.m. and will exorcised by 7:30 p.m. or so. Children under 12 need to accompany adults for reassuring hand squeezing. Admission to benefit the Alden House Museum is \$2 for children and \$3 for all other souls.
